WE ARE DEDICATED TO...

EQUIPPING INDIVIDUALS WITH COMPETENCIES FOR INTERFAITH ENGAGEMENT

We are committed to being the region's expert resource for programming in diverse settings on the subject of interfaith understanding, providing individuals in all sectors with interfaith experiences, skills, and knowledge to increase understanding and improve attitudes towards our rich diversity. This work is essential to creating a stronger, more connected community, where religious diversity is not only tolerated but appreciated.

BUILDING AUTHENTIC RELATIONSHIPS OF MUTUAL TRUST AND SOLIDARITY

We hold interfaith relationships as a priority for our community and sustain urgency around the importance and need for interfaith engagement. We facilitate strategic introductions and connect religious communities and civic leaders so they can more effectively serve their consistencies who interact inter-culturally on a daily basis. We foster honest conversations and effective collaboration, working among diverse audiences and sectors.

ADVANCING INTERFAITH UNDERSTANDING IN THE PUBLIC SPHERE

Our tagline, *dare to understand*, challenges us to be bold in learning about one another, to dare to listen sincerely to the crying needs of our time, and to work together towards a more peaceful and equitable region. We value freedom of religious expression, honoring the myriad of ways people self-identify and orient around religion and spirituality. We strive for Philadelphia to be a place where diversity is celebrated, and religion is critical to that realization. Our efforts seek to touch diverse audiences and ensure that our impact is greater than a single event, program, or crisis.
